Sir

I have the honour to make application to The Town Municipality for an increase grant in aid to The Wesleyan Mission Girls School Liddle Pallee Bangalore

The school was opened in 1869 The present rate of Rs 20/ a month was sanctioned in 1874 when number on the rolls was about 70

It will be seen from the subjoined returns that the number on the rolls is now 253 and the monthly expenditure Rs 132

The Dewan of Mysore fully admits the claim for a larger grant and permits me to use his name in making my application

I have the honour to request that the Town Municipal Commission will kindly increase the grant to Rs 50/- a month Even this amount will be considerably less than half the present expenditure which we expect that in the future the expenses will be much higher than they are now

I have the honour to be Sir,
